

Matt Cohen Membership Support Fund Eligibility Requirements and Application Form

CHADD offers one-year, individual/family memberships to those who otherwise cannot afford membership dues. These funds are based on financial need, and are processed through the **Matt Cohen Membership Support Fund**. A one-year membership is made available to those who qualify.

When CHADD has membership funds available and an application is accepted, the applicant is notified promptly and added to the CHADD membership database. If such funds are unavailable, applicants are placed on a waiting list. Membership funds are provided through designated contributions to CHADD.
