FOCUS: BEHAVIOR, DISCIPLINE, AND JUSTICE

12 This Side of the Aisle: One-on-One with James Carville

Much of his life has been an open book, but few people know that the political celebrity was diagnosed with AD/HD late in life.

by Bryan Goodman, MA

14 Know the Tipping Points: Reducing Vulnerability to Antisocial Behavior in Youth with AD/HD

British police have learned that appropriate interventions at critical points can help steer young people in a more positive direction.

by Phillip Anderton, PhD, and Stephen Brown

18 Enhancing Ownership and Empowerment in Preteen Children with AD/HD

Unprecedented external supports increase their ability to meet academic responsibilities, but today's children with AD/HD also need to learn to apply internal resources to minimize the disorder's negative effects.

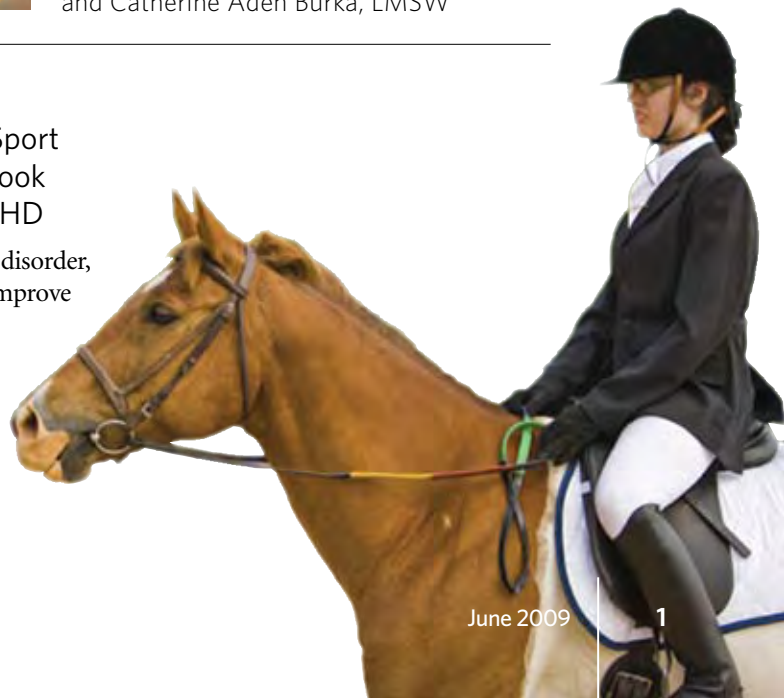

by Aden A. Burka, PhD,
and Catherine Aden Burka, LMSW

22 On the Move: The Discipline of Sport Improves the Outlook of Some with AD/HD

For many people affected by this disorder, being active in a sport can help improve symptoms and build self-esteem.

by Karen Sampson, MA
