### FOCUS: PUBLIC HEALTH

# 14Researchers on

### **AD/HD Research**

What bright promises does the future hold for people with AD/HD? Some of the world's top researchers talk about scientific advances that will improve our understanding of the disorder, target causes and prevention, and provide effective treatment methods. Introduction by Anne Teeter Ellison, EdD

# **24**From Hyper to Happy:

# Seasonal Tips for Anyone Affected by AD/HD

Make the holidays work for you, instead of working yourself into a frazzle. There's friendly advice for everyone—adults with AD/HD, parents, grandparents, aunts and uncles—to help you at this busy time of year.

# **28** Felices Fiestas:

# Ideas de temporada para cualquier persona

## afectada por el TDA/H

Encontramos muchas ideas para hacer que esta época festiva fluya más suavemente y se convierta en una experience placentera en su hogar.

CHADD does not endorse products, services, publications, medications or treatments, including those advertised in *Attention®*. Placement of an advertisement in this magazine does not represent an endorsement by CHADD, nor does it represent any testimony by CHADD as to the quality of the products advertised or the validity of the claims made in the advertisement.

The articles and editorial content in

Attention® magazine are intended for educational purposes only. While articles may reference treatments and the latest in evidence based medicine, this information is not intended to be used to diagnose or treat a health problem or disease and is not a substitute for professional care.

# **32** Gifts of Hope and Education: An Interview with the Dendys

The Dendy family makes a difference for many others by delivering the message of their lived experience: Families affected by AD/HD not only can survive, they can prevail over the challenges of the disorder. The longtime advocates explain how to make a lasting difference. by Russell L. Shipley, Jr.

# **36** 2008 Young Scientist Research Fund Awards

Three young researchers, each dedicated to improving treatments for AD/HD, describe their award-winning work.

**42** CHADD's 20th Annual International Conference on AD/HD

Highlights from presentations at the Anaheim conference, attended by people from all over the world in November 2008, bring you the most helpful and practical information.
