Find local support...

Find your local affiliate by going to the affiliate locator on the CHADD Web site: www.chadd.org. You can learn from local experts and connect with people with similar experience to yours. You will learn a lot!

Make cyber connections...

Want to exchange information with other people affected by AD/HD? Then be sure to visit our Online Communities. You are sure to find groups that will help you, and it's always nice to feel connected.

Learn from parents...

Sign up for Parent to Parent, a benefit of CHADD membership. The program provides educational information and support for individuals and families dealing with AD/HD and learning to navigate the challenges across the lifespan. Parent to Parent is available to CHADD members at a nominal cost.
